- Amy Wrennick, M.D.

**NOTICE TO OBSTETRIC PATIENT**

I have been furnished information in the form of a Brochure prepared by the Florida Birth-Related Neurological Injury Compensation Association (NICA), pursuant to Section 766.316, Florida Statutes, by North Florida OB GYN, LLC., W.L. Cody, MD and D.P. Greene, MD.

I have been advised that all the above physicians and certified nurse midwives, the physicians or certified nurse midwives who will join their practice, and other physicians covering for North Florida OB GYN, LLC patients on evenings, weekends, and holidays, all participate in the program.

The program provides certain limited compensation is available in the event certain types of qualifying neurological injuries may occur during labor, delivery or resuscitation in a hospital. For specifics on the program, I understand I can contact the Florida Birth-Related Neurological Injury Compensation Association, P.O. Box 14567, Tallahassee, Florida 32317-4567, 1-800-398-2129.

I further acknowledge that I have received a copy of the Brochure prepared by NICA entitled "Peace of Mind for an Unexpected Problem."
